RESOLUTION # 08012798

RESOLUTION TO REDUCE SIZE OF THE LAWRENCE COUNTY COMMISSION

WHEREAS, Lawrence County is currently represented by eighteen county commissioners from nine civil districts; and

WHEREAS, individual commissioners from the same civil district frequently cast opposing votes, thereby depriving their constituents of a deciding vote on a given issue; and

WHEREAS, commissioners can currently be elected to the Lawrence County Commission with less than a majority support of the voters from the commissioner's district; and

WHEREAS, the legislative body of Lawrence County desires to reduce cost of government to the taxpayers of Lawrence County; and

WHEREAS, the legislative body of Lawrence County desires that there be better communication between commissioners and their constituents, more accountability of county elected officials and increased efficiency in government; and

WHEREAS, a commission consisting of nine commissioners would greatly reduce the necessity of the chairman breaking tie votes.

NOW, THEREFORE, BE IT RESOLVED by the legislative body of Lawrence County meeting in regular session this 27th day of January, 1998 that the Lawrence County commission be hereby reduced in membership to nine commissioners, one from each of the county's nine civil districts so as to promote increased efficiency in government, more accountability of elected officials and better communication between voters of Lawrence County and their elected representatives and to reduce the cost of government to the taxpayers. This resolution shall serve in no way to shorten the term of any commissioner currently serving but shall take effect upon the regular expiration of the term of those commissioners whose terms expire September 1, 1998.

This resolution shall become effective upon its adoption and approval.

A RESOLUTION AUTHORIZING THE ISSUANCE OF GENERAL OBLIGATION REFUNDING BONDS, SERIES 1998, IN THE AGGREGATE PRINCIPAL AMOUNT OF NOT TO EXCEED NINE MILLION TWO HUNDRED THOUSAND DOLLARS (\$9,200,000) OF LAWRENCE COUNTY, TENNESSEE; MAKING PROVISION FOR THE ISSUANCE, SALE AND PAYMENT OF SAID BONDS; ESTABLISHING THE TERMS THEREOF AND THE DISPOSITION OF PROCEEDS THEREFROM; AND PROVIDING FOR THE LEVY OF TAX FOR THE PAYMENT OF PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE BONDS.

WHEREAS, pursuant to authority granted by Sections 9-21-101 et seq., Tennessee Code Annotated, Lawrence County, Tennessee (the "County") has issued its General Obligation Public Improvement Bonds, Series 1994, dated December 1, 1994, maturing March 1, 2002 through March 1, 2015, inclusive (the "Outstanding Bonds"); and

WHEREAS, the Outstanding Bonds can now be refinanced at a lower interest cost, thereby effecting a cost savings to the public; and

WHEREAS, the County is authorized by Sections 9-21-101 et seq., Tennessee Code Annotated, to issue, by resolution, bonds to refund, redeem or make principal and interest payments on bonds, notes or other obligations previously issued by the County; and

WHEREAS, the Board of County Commissioners of the County has determined that in order to provide the funds necessary to accomplish said refunding, it is necessary to issue general obligation refunding bonds of the County; and

WHEREAS, the plan for said refunding has been submitted to the State Director of Local Finance as required by Section 9-21-903, Tennessee Code Annotated, and he has acknowledged receipt thereof to the County and submitted his report thereon to the County; and

WHEREAS, it is the intention of the Board of County Commissioners of the County to adopt this resolution for the purpose of authorizing the issuance of bonds of the County for the purposes described above, establishing the terms thereof and the disposition of proceeds therefrom, and providing for the levy of a tax for the payment of principal thereof, premium, if any, and interest thereon.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Lawrence County, Tennessee, as follows:

Section 1. Authority. The bonds authorized by this resolution are issued pursuant to Sections 9-21-101 et seq., Tennessee Code Annotated, and other applicable provisions of law.

Section 2. Definitions. The following terms shall have the following meanings in this resolution unless the text expressly or by necessary implication requires otherwise:

- (a) "the Bonds" shall mean the not to exceed \$9,200,000 General Obligation Refunding Bonds, Series 1998 of the County, to be dated February 1, 1998, or such other date as shall be designated by the County Executive pursuant to Section 8 hereof, authorized to be issued by this resolution;
- (b) "the Code" shall mean the Internal Revenue Code of 1986, as amended;
- (c) "the County" shall mean Lawrence County, Tennessee;
- (d) "the Escrow Agent" shall mean the Escrow Agent appointed by the County Executive of the County, or any successor, as escrow agent under the Refunding Escrow Agreement;
- (e) "the Governing Body" shall mean the Board of County Commissioners of the County;
- (f) "Government Securities" shall mean obligations and securities described in Section 9-21-914, Tennessee Code Annotated;

- (h) "the Refunding Escrow Agreement" shall mean the Refunding Escrow Agreement, dated as of the date of the Bonds, to be entered into by and between the County and the Escrow Agent, in the form of the document attached hereto and incorporated herein by this reference as Exhibit A, subject to such changes therein as shall be permitted by Section 11 hereof; and
- (i) "the Registration Agent" shall mean Sentinel Trust Company, Nashville, Tennessee, as the registration and paying agent for the Bonds, or any successor designated by the Governing Body.

Section 3. Findings of the Governing Body. It is hereby found and determined by the Governing Body as follows:

(b) It is advantageous to the County to deposit proceeds from the sale of the Bonds and other funds of the County, if any, with the Escrow Agent pursuant to the Refunding Escrow Agreement which, together with investment income thereon, will be sufficient to pay principal of, premium, if any, and interest on the Outstanding Bonds.

Section 4. Authorization and Terms of the Bonds. For the purpose of providing funds for the payment of principal of and premium and interest on the Outstanding Bonds to the earliest optional redemption date thereof and for the payment of legal, fiscal and administrative costs incident thereto and incident to the issuance and sale of the Bonds as more fully set out in Section 8 hereof, there are hereby authorized to be issued general obligation refunding bonds of the County in an aggregate principal amount not to exceed \$9,200,000. The Bonds shall be issued in fully registered form, without coupons, and shall be designated "General Obligation Refunding Bonds, Series 1998". Each Bond shall be dated as of February 1, 1998, or such other date as shall be established pursuant to Section 8 hereof and shall bear interest from the date thereof at a rate or rates not to exceed six percent (6%) per annum, such interest being payable semi-annually on the first day of February and August of each year, commencing August 1, 1998. The Bonds shall be issued initially in \$5,000 denominations or integral multiples thereof as shall be requested by the purchaser of the Bonds. Subject to Section 8 hereof, the Bonds shall mature serially and be payable on February 1 of each year as follows:

2000	110,000
2001	115,000
2002	445,000
2003	545,000
2004	570,000
2005	600,000
2006	620,000

2012	810,000
2013	850,000
2014	860,000

Bonds maturing on or before February 1, 2003 shall mature without option of prior redemption. Bonds maturing February 1, 2004 and thereafter, shall be subject to redemption prior to maturity at the option of the County on or after February 1, 2003, as a whole or in part at any

time at the redemption prices set forth below (expressed as percentages of principal amount) plus interest accrued to the redemption date:

Redemption Date (dates inclusive)	Redemption Price
February 1, 2003 through July 31, 2003	101%
August 1, 2003 through January 31, 2004	100-3/4
February 1, 2004 through July 31, 2004	100-1/2
August 1, 2004 through January 31, 2005	100-1/4
February 1, 2005 and thereafter	100

If less than all the Bonds shall be called for redemption, the Governing Body, in its discretion, shall designate the maturity or maturities which will be redeemed, and, if less than all of the Bonds of a single maturity shall be called for redemption, the Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion may determine.

Pursuant to Section 8 hereof, the County Executive is authorized to sell the Bonds, or any maturities thereof, as term bonds with mandatory redemption requirements. In the event any or all the Bonds are sold as term Bonds, the County shall redeem term Bonds at a price of par plus accrued interest thereon to the date of redemption. The term Bonds to be so redeemed shall be selected by lot or in such other random manner as the Registration Agent in its discretion may determine.

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such redemption date, the County may (i) deliver to the Registration Agent for cancellation Bonds to be redeemed of that maturity, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and canceled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of the County on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The County shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.

Notice of call for redemption shall be given by the Registration Agent on behalf of the County not less than thirty (30) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for redemption of any of the Bonds for which proper notice was given. The Registration Agent shall mail said notices, in the case of term bonds with mandatory redemption requirements as and when provided herein and in the Bonds and, in the case of optional redemption, as and when directed by the County pursuant to written instructions from an authorized representative of the County given at least forty-five (45) days prior to the redemption date (unless a shorter notice period shall be satisfactory to the Registration Agent). From and after the redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and if notice has been duly provided as set forth herein.

The County hereby authorizes and directs the Registration Agent for the Bonds to maintain Bond registration records with respect to the Bonds, to authenticate and deliver the Bonds as provided herein, either at original issuance, upon transfer, or as otherwise directed by the County, to effect transfers of the Bonds, to give all notices of redemption as required herein, to make all payments of principal and interest with respect to the Bonds as provided herein, to cancel and destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer, to furnish the County at least annually a certificate of destruction with respect to Bonds canceled and destroyed, and to furnish the County at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds. The County Executive is hereby authorized to execute and the County Clerk is hereby authorized to attest such written agreement between the County and the Registration Agent as they shall deem necessary or proper with respect to the obligations, duties and rights of the Registration Agent. The payment of all reasonable fees and expenses of the Registration Agent for the discharge of its duties and obligations hereunder or under any such agreement is hereby authorized and directed.

The Bonds shall be payable, principal, premium, if any, and interest, in lawful money of the United States of America at the principal corporate trust office of the Registration Agent. The Registration Agent shall make all interest payments with respect to the Bonds on each interest payment date directly to the registered owners as shown on the Bond registration records maintained by the Registration Agent as of the close of business on the fifteenth day of the month next preceding the interest payment date (the "Regular Record Date") by check or draft mailed to such owners at their addresses shown on said Bond registration records, without, except for final payment, the presentation or surrender of such registered Bonds, and all such payments shall discharge the obligations of the County in respect of such Bonds to the extent of the payments so made. Payment of principal of and premium, if any, on the Bonds shall be made upon presentation and surrender of such Bonds to the Registration Agent as the same shall become due and payable.

Any interest on any Bond which is payable but is not punctually paid or duly provided for on any interest payment date (hereinafter "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such Defaulted Interest shall be paid by the County to the persons in whose names the Bonds are registered at the close of business on a date (the "Special Record Date") for the payment of such Defaulted Interest, which shall be fixed in the following manner: the County shall notify the Registration Agent in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment, and at the same time the County shall deposit with the Registration Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Registration Agent for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this Section provided. Thereupon, not less than ten (10) days after the receipt by the Registration Agent of the notice of the proposed payment, the Registration Agent shall fix a Special Record Date for the payment of such Defaulted Interest which Date shall be not more than fifteen (15) nor less than ten (10) days prior to the date of the proposed payment to the registered owners. The Registration Agent shall promptly notify the County of such Special Record Date and, in the name and at the expense of the County, not less than ten (10) days prior to such Special Record Date, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each registered owner at the address thereof as it appears in the Bond registration records maintained by the Registration Agent as of the date of such notice. Nothing contained in this Section or in the Bonds shall impair any statutory or other rights in law or in equity of any registered owner arising as a result of the failure of the County to punctually pay or duly provide for the payment of principal, premium, if any, and interest on the Bonds when due.

The Bonds are transferable only by presentation to the Registration Agent by the registered owner, or his legal representative duly authorized in writing, of the registered Bond(s) to be transferred with the form of assignment on the reverse side thereof completed in full and signed with the name of the registered owner as it appears upon the face of the Bond(s) accompanied by appropriate documentation necessary to prove the legal capacity of any legal representative of the registered owner. Upon receipt of the Bond(s) in such form and with such documentation, if any, the Registration Agent shall issue a new Bond or Bonds to the assignee(s) in \$5,000 denominations, or integral multiples thereof, as requested by the registered owner requesting transfer. The Registration Agent shall not be required to transfer or exchange any Bond during the period commencing on a Regular or Special Record Date and ending on the corresponding interest payment date of such Bond, nor to transfer or exchange any Bond after the notice calling such Bond for redemption has been given, nor to transfer or exchange any Bond during the period following the receipt of instructions from the County to call such Bond for redemption; provided, the Registration Agent, at its option, may make transfers after any of said dates. No charge shall be made to any registered owner for the privilege of transferring any Bond, provided that any transfer tax relating to such transaction shall be paid by the registered owner requesting transfer. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the County nor the Registration Agent shall

be affected by any notice to the contrary whether or not any payments due on the Bonds shall be overdue. Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner, be exchanged for an equal aggregate principal amount of Bonds of the same maturity in any authorized denomination or denominations.

The Bonds shall be signed by the County Executive and attested by the County Clerk by their respective facsimile signatures, and shall have imprinted thereon a facsimile of the corporate seal of the County.

The Registration Agent is hereby authorized to authenticate and deliver the Bonds to the original purchaser thereof or as it may designate upon receipt by the County of the proceeds of the sale thereof and to authenticate and deliver Bonds in exchange for Bonds of the same principal amount delivered for transfer upon receipt of the Bond(s) to be transferred in proper form with proper documentation as hereinabove described. The Bonds shall not be valid for any purpose unless authenticated by the Registration Agent by the manual signature of an officer thereof on the certificate set forth herein on the Bond form.

In case any Bond shall become mutilated, or be lost, stolen, or destroyed, the County, in its discretion, shall issue, and the Registration Agent, upon written direction from the County, shall authenticate and deliver, a new Bond of like tenor, amount, maturity and date, in exchange and substitution for, and upon the cancellation of, the mutilated Bond, or in lieu of and in substitution for such lost, stolen or destroyed Bond, or if any such Bond shall have matured or shall be about to mature, instead of issuing a substituted Bond the County may pay or authorize payment of such Bond without surrender thereof. In every case the applicant shall furnish evidence satisfactory to the County and the Registration Agent of the destruction, theft or loss of such Bond, and indemnity satisfactory to the County and the Registration Agent; and the County may charge the applicant for the issue of such new Bond an amount sufficient to reimburse the County for the expense incurred by it in the issue thereof.

Section 5. Security and Source of Payment. The Bonds shall be payable from unlimited ad valorem taxes to be levied on all taxable property within the County. For the prompt payment of principal of, premium, if any, and interest on the Bonds, the full faith and credit of the County are hereby irrevocably pledged.

Section 6. Form of Bonds. The Bonds shall be in substantially the following form, the omissions to be appropriately completed when the Bonds are prepared and delivered:

Section 7. Levy of Tax. The County, through its Governing Body, shall annually levy and collect a tax upon all taxable property within the County, in addition to all other taxes authorized by law, sufficient to pay principal of, premium, if any, and interest on the Bonds when due, and for that purpose there is hereby levied a direct annual tax in such amount as may be found necessary each year to pay principal, premium, if any, and interest coming due on the Bonds in said year. Principal, premium, if any, and interest falling due at any time when there are insufficient funds from this tax levy on hand shall be paid from the current funds of the County and reimbursement therefor shall be made out of the taxes hereby provided to be levied when the same shall have been collected. The tax herein provided may be reduced to the extent of direct appropriations from the general funds, taxes and revenues of the County to the payment of debt service on the Bonds.

Section 8. Sale of Bonds. The Bonds shall be sold as required by law at public or private sale at a price of not less than ninety-nine percent (99%) of par less original issue discount on the Bonds, plus accrued interest, as a whole or in part, from time to time, as shall be determined by the County Executive of the County in consultation with the County's financial advisor, Sentinel Trust Company, Nashville, Tennessee.

To facilitate the sale of the Bonds and to maximize the savings from the refunding of all or a portion of the Outstanding Bonds in a manner that is in the best interest of the County, the County Executive, in consultation with the County's financial advisor, is authorized to change the dated date of the Bonds to a date other than February 1, 1998, to adjust the principal and interest payment dates, to change the County's optional redemption provisions of the Bonds, to cause two or more serial maturities to be sold as term bonds with mandatory sinking fund payments equal to each annual serial maturity, and to cause all or a portion of the Bonds to be insured by a bond insurance policy issued by a nationally recognized bond insurance company, to refund fewer than all of the Outstanding Bonds, to sell fewer than all the Bonds authorized herein and to make adjustments to the maturity schedule set forth in Section 4 hereof provided that any adjustments made to the maturity amounts in Section 4 hereof shall not cause the total amount of the Bonds to exceed the amount authorized herein.

If the Bonds are sold at a public sale, the County Executive is authorized to award the Bonds to the bidder whose bid results in the lowest true interest cost to the County, provided the rate on none of the Bonds exceeds six percent (6%) per annum. The award of the Bonds by the County Executive to the lowest bidder shall be binding on the County, and no further action of the Governing Body with respect thereto shall be required. If the Bonds are sold at private sale, the County Executive is authorized to sell the Bonds to the original purchaser at the price set forth above at a rate or rates not to exceed six percent (6%) per annum and no further action of the Governing Body shall be required.

If the Bonds are sold at private sale, the County Executive is hereby authorized to execute and the County Clerk is authorized to attest a bond purchase agreement with the original purchaser, providing for the purchase and sale of the Bonds. The bond purchase agreement shall be in form and content acceptable to the County Executive, provided the bond purchase agreement effects the sale of the Bonds in accordance with the provisions of this resolution, and is not inconsistent with the terms hereof.

The County Executive and the Clerk, or either of them, are authorized to cause the Bonds to be authenticated and delivered by the Registration Agent to the successful bidder; if sold at a public sale, or to the original purchaser if sold at a negotiated sale, and to execute, publish, and deliver all certificates and documents, including an official statement, a bond purchase agreement, if sold at a negotiated sale, having terms consistent with Section 4 hereof and this Section 8, and closing certificates, as they shall deem necessary in connection with the sale and delivery of the Bonds. The form of the Bond set forth in Section 6 hereof shall be conformed to reflect changes,

if any, as hereinbefore mentioned. No Bonds shall be issued hereunder until the refunding of the Outstanding Bonds has been approved by the State Director of Local Finance.

Section 9. Disposition of Bond Proceeds. The proceeds of the sale of the Bonds shall be applied by the County as follows:

(a) all accrued interest shall be used to pay interest on the Bonds on the first interest payment date following delivery of the Bonds;

(b) an amount which, together with other legally available funds of the County, if any, and investment earnings thereon, will be sufficient to pay principal of and premium and interest on the Outstanding Bonds shall be transferred to the Escrow Agent under the Refunding Escrow Agreement to be deposited to the Escrow Fund established thereunder to be held and applied as provided therein; and

(c) the remainder of the proceeds of the sale of the Bonds shall be used to pay the costs of the issuance of the Bonds, including necessary legal, accounting, engineering, architectural and fiscal expenses, printing, engraving, advertising and similar expenses, administrative and clerical costs, rating agency fees, Registration Agent fees, bond insurance premiums, if any, and other necessary miscellaneous expenses incurred in connection with the issuance and sale of the Bonds.

Section 10. Official Statement. The County Executive and the County Clerk, or either of them, working with Sentinel Trust Company, Nashville, Tennessee, in its capacity as financial advisor, are hereby authorized and directed to provide for the preparation and distribution of a Preliminary Official Statement describing the Bonds. After the Bonds have been sold, the County Executive and the County Clerk, or either of them, shall make such completions, omissions, insertions and changes in the Preliminary Official Statement not inconsistent with this resolution as are necessary or desirable to complete it as a final Official Statement for purposes of Rule 15c2-12(e)(3) of the Securities and Exchange Commission. The County Executive and the County Clerk, or either of them, shall arrange for the delivery to the successful bidder if sold at a public sale or to the original purchaser if sold at a negotiated sale of a reasonable number of copies of the Official Statement within seven business days after the Bonds have been awarded for delivery by the successful bidder or sold to the original purchaser to each potential investor requesting a copy of the Official Statement and to each person to whom such bidder and members of his bidding group, if sold at a public sale, or to whom the original purchaser, if sold at a negotiated sale, initially sells the Bonds.

The County Executive and the County Clerk, or either of them, are authorized, on behalf of the County, to deem the Preliminary Official Statement and the Official Statement in final form, each to be final as of its date within the meaning of Rule 15c2-12(b)(1), except for the omission in the Preliminary Official Statement of certain pricing and other information allowed to be omitted pursuant to such Rule 15c2-12(b)(1). The distribution of the Preliminary Official Statement and the Official Statement in final form shall be conclusive evidence that each has been

deemed in final form as of its date by the County, except for the omission in the Preliminary Official Statement of such pricing and other information.

Section 11. Refunding Escrow Agreement. For the purpose of providing for the payment of the principal of, premium, if any, and interest on the Outstanding Bonds, the County Executive is hereby authorized and directed to execute and the County Clerk to attest on behalf of the County the Refunding Escrow Agreement with the Escrow Agent and to deposit with the Escrow Agent the amounts to be used by the Escrow Agent to purchase the Government Securities as provided therein; provided, however, that the yield on such investments shall be determined in such manner that none of the Bonds will be an "arbitrage bond" within the meaning of Section 148(a) of the Code. The form of Refunding Escrow Agreement presented to this meeting and attached hereto as Exhibit A is hereby in all respects approved and the County Executive and County Clerk are hereby authorized and directed to execute and deliver the same on behalf of the County in substantially the form thereof presented to this meeting, or with such changes as may be approved by the County Executive and County Clerk, their execution thereof to constitute conclusive evidence of their approval of all such changes, including modifications to the Refunding Escrow Agreement. The Escrow Agent is hereby authorized and directed to hold and administer all funds deposited in trust for the payment when due of principal of and premium and interest on the Outstanding Bonds and to exercise such duties as set forth in the Refunding Escrow Agreement.

Section 12. Notice of Refunding. Prior to the issuance of the Bonds, notice of the County's intention to refund the Outstanding Bonds to be redeemed shall be given by the appropriate registration agent for such bonds, to be mailed by first-class mail, postage prepaid, to the registered holders thereof, as of the date of the notice, as shown on the bond registration records maintained by the registration agent of said Outstanding Bonds. Such notice shall be in substantially the form provided in Exhibit B attached hereto and by this reference made a part hereof. The County Executive and County Clerk, or either of them, are hereby authorized and directed to authorize the registration agent of said Outstanding Bonds to give such notice on behalf of the County in accordance with this Section.

Section 13. Arbitrage. The County recognizes that the purchasers and owners of the Bonds will have accepted them on, and paid therefor a price that reflects, the understanding that interest thereon is excludable from gross income for purposes of federal income taxation under laws in force on the date of delivery of the Bonds. In this connection, the County agrees that it shall take no action which may cause the interest on any of said Bonds to be included in gross income for federal income taxation. It is the reasonable expectation of the Governing Body of the County that the proceeds of the Bonds will not be used in a manner which will cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and to this end the said proceeds of the Bonds and other related funds established for the purposes herein set out shall be used and spent expeditiously for the purposes described herein. The Governing Body further covenants and represents that in the event it shall be required by Section 148(f) of the Code to pay any investment proceeds of the Bonds to the United States government, it will make such payments as and when required by said Section 148(f) and will take such other actions as shall be necessary

or permitted to prevent the interest on the Bonds from becoming taxable. The County Executive and County Clerk, or either of them, are authorized and directed to make such certifications in this regard in connection with the sale of the Bonds as either or both shall deem appropriate, and such certifications shall constitute a representation and certification of the County.

Section 14. Discharge and Satisfaction of Bonds. If the County shall pay and discharge the indebtedness evidenced by any of the Bonds in any one or more of the following ways:

(a) By paying or causing to be paid, by deposit of sufficient funds as and when required with the Registration Agent, the principal of and interest on such Bonds as and when the same become due and payable;

(b) By depositing or causing to be deposited with any trust company or financial institution whose deposits are insured by the Federal Deposit Insurance Corporation or similar federal agency and which has trust powers ("an Agent"; which Agent may be the Registration Agent) in trust or escrow, on or before the date of maturity or redemption, sufficient money or Federal Obligations, as hereafter defined, the principal of and interest on which, when due and payable, will provide sufficient moneys to pay or redeem such Bonds and to pay premium, if any, and interest thereon when due until the maturity or redemption date (provided, if such Bonds are to be redeemed prior to maturity thereof, proper notice of such redemption shall have been given or adequate provision shall have been made for the giving of such notice);

(c) By delivering such Bonds to the Registration Agent, for cancellation by it;

and if the County shall also pay or cause to be paid all other sums payable hereunder by the County with respect to such Bonds, or make adequate provision therefor, and by resolution of the Governing Body instruct any such Escrow Agent to pay amounts when and as required to the Registration Agent for the payment of principal of and interest and redemption premiums, if any, on such Bonds when due, then and in that case the indebtedness evidenced by such Bonds shall be discharged and satisfied and all covenants, agreements and obligations of the County to the holders of such Bonds shall be fully discharged and satisfied and shall thereupon cease, terminate and become void.

If the County shall pay and discharge the indebtedness evidenced by any of the Bonds in the manner provided in either clause (a) or clause (b) above, then the registered owners thereof shall thereafter be entitled only to payment out of the money or Federal Obligations deposited as aforesaid.

Except as otherwise provided in this Section, neither Federal Obligations nor moneys deposited with the Registration Agent pursuant to this Section nor principal or interest payments on any such Federal Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and premium, if any, and interest on said Bonds; provided that any cash received from such principal or interest payments on such Federal

Obligations deposited with the Registration Agent, (A) to the extent such cash will not be required at any time for such purpose, shall be paid over to the County as received by the Registration Agent and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Federal Obligations maturing at times and in amounts sufficient to pay when due the principal and premium, if any, and interest to become due on said Bonds on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the County, as received by the Registration Agent. For the purposes of this Section, Federal Obligations shall mean direct obligations of, or obligations, the principal of and interest on which are guaranteed by, the United States of America, or any agency thereof, obligations of any agency or instrumentality of the United States or any other obligations at the time of the purchase thereof are permitted investments under Tennessee law for the purposes described in this Section, which bonds or other obligations shall not be subject to redemption prior to their maturity other than at the option of the registered owner thereof.

Section 15. Continuing Disclosure. The County hereby covenants and agrees that it will provide annual financial information and material event notices as required by Rule 15c2-12 of the Securities Exchange Commission for the Bonds. The County Executive is authorized to execute at the closing of the sale of the Bonds, an agreement for the benefit of and enforceable by the owners of the Bonds specifying the details of the financial information and material event notices to be provided and its obligations relating thereto. Failure of the County to comply with the undertaking herein described and to be detailed in said closing agreement, shall not be a default hereunder, but any such failure shall entitle the owner or owners of any of the Bonds to take such actions and to initiate such proceedings as shall be necessary and appropriate to cause the County to comply with its undertaking as set forth herein and in said agreement, including the remedies of mandamus and specific performance.

Section 16. Resolution a Contract. The provisions of this resolution shall constitute a contract between the County and the registered owners of the Bonds, and after the issuance of the Bonds, no change, variation or alteration of any kind in the provisions of this resolution shall be made in any manner until such time as the Bonds and interest due thereon shall have been paid in full.

Section 17. Separability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

Section 18. Qualified Tax Exempt Obligations. In the expectation that the Bonds will be issued in calendar year 1998, the Governing Body hereby designates the Bonds "qualified tax exempt obligations" within the meaning of Section 265 of the Code.

Section 19. Repeal of Conflicting Resolutions and Effective Date. All other resolutions and orders, or parts thereof, in conflict with the provisions of this resolution, are, to the extent

of such conflict, hereby repealed and this resolution shall be in immediate effect from and after its adoption.

Adopted and approved this 27th day of January, 1998.

ESTABLISHMENT AND ADMINISTRATION OF FUNDS

SECTION 2.01. Creation of Escrow; Deposit of Funds. The County hereby creates and establishes with the Agent a special and irrevocable escrow composed of the Escrowed Property and hereby deposits with the Agent and the Agent hereby acknowledges receipt of \$ _____ and hereby deposits with the Agent and the Agent hereby acknowledges receipt of \$ _____ as described in Division I hereof. The monies so deposited, together with investment income therefrom, is herein referred to as the "Escrow Fund" and shall constitute a fund to be held by the Agent as a part of the Escrowed Property created, established, and governed by this Agreement.

SECTION 2.02. Investment of Funds. The monies described in Section 2.01 hereof shall be held or invested as follows:

- (a) the amount of \$ _____ shall be used to purchase the Federal Obligations described on Exhibit B attached hereto; and
- (b) the amount of \$ _____ shall be held as cash in a non-interest-bearing account.

Except as provided in Sections 2.04 and 2.06 hereof, the investment income from the Federal Obligations in the Escrow Fund shall be credited to the Escrow Fund and shall not be reinvested. The Agent shall have no power or duty to invest any monies held hereunder or to make substitutions of Federal Obligations held hereunder or to sell, transfer, or otherwise dispose of the Federal Obligations acquired hereunder except as provided herein.

SECTION 2.03. Disposition of Escrow Funds. The Agent shall without further authorization or direction from the County collect the principal and interest on the Federal Obligations promptly as the same shall fall due. From the Escrow Fund, to the extent that monies therein are sufficient for such purpose, the Agent shall make timely payments to the proper paying agent or agents, or their successors, for the Outstanding Bonds of monies sufficient for the payment of the principal of and premium and interest on the Outstanding Bonds as the same shall become due and payable. Amounts and dates of principal, premium and interest payments and the name and address of the paying agent with respect to the Outstanding Bonds are set forth on Exhibit A. Payment on the dates and to the paying agent in accordance with Exhibit A shall constitute full performance by the Agent of its duties hereunder with respect to each respective payment. The County represents and warrants that the Escrow Fund, if held, invested and disposed of by the Agent in accordance with the provisions of this Agreement, will be sufficient to make the foregoing payments. No paying agent fees, fees and expenses of the Agent, or any other costs and expenses associated with the Refunding Bonds or the Outstanding Bonds shall be paid from the Escrow Fund, and the County agrees to pay all such fees, expenses, and costs from

its legally available funds as such payments become due. When the Agent has made all required payments of principal and interest on the Outstanding Bonds to the paying agent as hereinabove provided, the Agent shall transfer any monies or Federal Obligations then held hereunder to the County and this Agreement shall terminate.

SECTION 2.04. Excess Funds. Except as provided in Section 2.06 hereof, amounts held by the Agent, representing interest on the Federal Obligations in excess of the amount necessary to make the corresponding payment of principal and/or interest on the Outstanding Bonds, shall be held by the Agent without interest and shall be applied before any other Escrow Fund monies to the payment of the next ensuing principal and/or interest payment on the Outstanding Bonds. Upon retirement of all the Outstanding Bonds, the Agent shall pay any excess amounts remaining in the Escrow Fund to the County.

SECTION 2.05. Reports. The Escrow Agent shall deliver to the County Clerk of the County a monthly report summarizing all transactions relating to the Escrow Fund; and on or before the first day of August of each year shall deliver to the County Clerk report current as of June 30 of that year, which shall summarize all transactions relating to the Escrow Fund effected during the immediately preceding fiscal year of the County and which also shall set forth all assets in the Escrow Fund as of June 30 and set forth opening and closing balances thereof for that fiscal year.

SECTION 2.06. Investment of Monies Remaining in Escrow Fund. The Agent may invest and reinvest any monies remaining from time to time in the Escrow Fund until such time as they are needed. Such monies shall be invested in Federal Obligations, maturing no later than the next interest payment date of the Outstanding Bonds, or for such periods or at such interest rates as the Agent shall be directed by Written Request, provided, however, that the County shall furnish the Agent, as a condition precedent to such investment, with an opinion from nationally recognized bond counsel stating that such reinvestment of such monies will not, under the statutes, rules and regulations then in force and applicable to obligations issued on the date of issuance of the Refunding Bonds, cause the interest on the Refunding Bonds or the Outstanding Bonds not to be excluded from gross income for Federal income tax purposes and that such investment is not inconsistent with the statutes and regulations applicable to the Refunding Bonds or the Outstanding Bonds. Any interest income resulting from reinvestment of monies pursuant to this Section 2.06 shall be applied first to the payment of principal of and interest on the Outstanding Bonds to the extent the Escrow is or will be insufficient to retire the Outstanding Bonds as set forth on Exhibit A and any excess shall be paid to the County to be applied to the payment of the Refunding Bonds or the expenses of issuance thereof.

SECTION 2.07. Irrevocable Escrow Created. The deposit of monies, Federal Obligations, matured principal amounts thereof, and investment proceeds therefrom in the Escrow Fund shall constitute an irrevocable deposit of said monies and Federal Obligations for the benefit of the holders of the Outstanding Bonds, except as provided herein with respect to amendments permitted under Section 4.01 hereof. All the funds and accounts created and established pursuant

to this Agreement shall be and constitute escrow funds for the purposes provided in this Agreement and shall be kept separate and distinct from all other funds of the County and the Agent and used only for the purposes and in the manner provided in this Agreement.

SECTION 2.08. Redemption of Outstanding Bonds. The Outstanding Bonds shall be redeemed as stated on Exhibit C attached hereto.

ARTICLE III CONCERNING THE AGENT

SECTION 3.01. Appointment of Agent. The County hereby appoints the Agent as escrow agent under this Agreement.

SECTION 3.02. Acceptance by Agent. By execution of this Agreement, the Agent accepts the duties and obligations as Agent hereunder. The Agent further represents that it has all requisite power, and has taken all corporate actions necessary to execute the escrow hereby created.

SECTION 3.03. Liability of Agent. The Agent shall be under no obligation to inquire into or be in any way responsible for the performance or nonperformance by the County or any paying agent of its obligations, or to protect any of the County's rights under any bond proceedings or any of the County's other contracts with or franchises or privileges from any state, county, municipality or other governmental agency or with any person. The Agent shall not be liable for any act done or step taken or omitted to be taken by it, or for any mistake of fact or law, or anything which it may do or refrain from doing, except for its own gross negligence or willful misconduct in the performance or nonperformance of any obligation imposed upon it hereunder. The Agent shall not be responsible in any manner whatsoever for the recitals or statements contained herein or in the Outstanding Bonds or in the Refunding Bonds or in any proceedings taken in connection therewith, but they are made solely by the County. The Agent shall have no lien whatsoever upon any of the monies or investments in the Escrow Fund for the payment of fees and expenses for services rendered by the Agent under this Agreement.

The Agent shall not be liable for the accuracy of the calculations as to the sufficiency of Escrow Fund monies and Federal Obligations and the earnings thereon to pay the Outstanding Bonds. So long as the Agent applies any monies, the Federal Obligations and the interest earnings therefrom to pay the Outstanding Bonds as provided herein, and complies fully with the terms of this Agreement, the Agent shall not be liable for any deficiencies in the amounts necessary to pay the Outstanding Bonds caused by such calculations. The Agent shall not be liable or responsible for any loss resulting from any investment made pursuant to this Agreement and in full compliance with the provisions hereof.

In the event of the Agent's failure to account for any of the Federal Obligations or monies received by it, said Federal Obligations or monies shall be and remain the property of the County

in escrow for the benefit of the holders of the Outstanding Bonds, as herein provided, and if for any improper reason such Federal Obligations or monies are applied to purposes not provided for herein or misappropriated by the Agent, the assets of the Agent shall be impressed with a trust for the amount thereof until the required application of such funds shall be made or such funds shall be restored to the Escrow Fund.

SECTION 3.04. Permitted Acts. The Agent and its affiliates may become the owner of or may deal in the Refunding Bonds or Outstanding Bonds as fully and with the same rights as if it were not the Agent.

SECTION 3.05. Exculpation of Funds of Agent. Except as set forth in Section 3.03, none of the provisions contained in this Agreement shall require the Agent to use or advance its own funds or otherwise incur personal financial liability in the performance of any of its duties or the exercise of any of its rights or powers hereunder. The Agent shall be under no liability for interest on any funds or other property received by it hereunder, except as herein expressly provided.

SECTION 3.06. Payment of Deficiency by County. The County agrees that it will promptly and without delay remit or cause to be remitted to the Agent within ten (10) days after receipt of the Agent's written request, such additional sum or sums of money as may be necessary in excess of the sums provided for under Section 2.01 hereof to assure the payment when due of the principal of, premium, if any, and interest on the Outstanding Bonds.

SECTION 3.07. No Redemption or Acceleration of Maturity. The Agent will not pay any of the principal of or interest on the Outstanding Bonds, except as provided in Exhibit A attached hereto and will not redeem or accelerate the maturity of any of the Outstanding Bonds except as provided in Section 2.08 hereof.

SECTION 3.08. Qualifications of Agent. There shall at all times be an Agent hereunder that shall be a corporation or banking association organized and doing business under the laws of the United States or any state, located in the State of Tennessee, authorized under the laws of its incorporation to exercise the powers herein granted, having a combined capital, surplus, and undivided profits of at least \$75,000,000 and subject to supervision or examination by federal or state authority. If such corporation or association publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this paragraph the combined capital, surplus, and undivided profits of such corporation or association shall be deemed to be its combined capital, surplus, and undivided profits as set forth in its most recent report of condition as published. In case at any time the Agent shall cease to be eligible in accordance with the provisions of this section, the Agent shall resign immediately in the manner and with the effect specified herein.

SECTION 3.09. Resignation of Agent. The Agent may at any time resign by giving direct written notice to the County and by giving the holders of the Outstanding Bonds notice by first-class mail of such resignation. Upon receiving such notice of resignation, the County shall promptly appoint a successor escrow agent by resolution of its governing body. If no successor escrow agent shall have been appointed and have accepted appointment within thirty (30) days

after the publication of such notice of resignation, the resigning Agent may petition any court of competent jurisdiction located in Lawrence County, Tennessee, for the appointment of a successor, or any holder of the Outstanding Bonds may, on behalf of himself and others similarly situated, petition any such court for the appointment of a successor. Such court may thereupon, after such notice, if any, as it may deem proper, appoint a successor meeting the qualifications set forth in Section 3.08. The Agent shall serve as escrow agent hereunder until its successor shall have been appointed and such successor shall have accepted the appointment.

SECTION 3.10. Removal of Agent. In case at any time the Agent shall cease to be eligible in accordance with the provisions of Section 3.08 hereof and shall fail to resign after written request therefor by the County or by any holder of the Outstanding Bonds, or the Agent shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Agent or any of its property shall be appointed, or any public officer shall take charge or control of the Agent or its property or affairs for the purpose of rehabilitation, conservation, or liquidation, then in any such case, the County may remove the Agent and appoint a successor by resolution of its governing body or any such bondholder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction situated in the County for the removal of the Agent and the appointment of a successor. Such court may thereupon, after such notice, if any, as it may deem proper, remove the Agent and appoint a successor who shall meet the qualifications set forth in Section 3.08. Unless incapable of serving, the Agent shall serve as escrow agent hereunder until its successor shall have been appointed and such successor shall have accepted the appointment.

The holders of a majority in aggregate principal amount of all the Outstanding Bonds at any time outstanding may at any time remove the Agent and appoint a successor by an instrument or concurrent instruments in writing signed by such bondholders and presented, together with the successor's acceptance of appointment, to the County and the Agent.

Any resignation or removal of the Agent and appointment of a successor pursuant to any of the provisions of this Agreement shall become effective upon acceptance of appointment by the successor as provided in Section 3.11 hereof.

SECTION 3.11. Acceptance by Successor. Any successor escrow agent appointed as provided in this Agreement shall execute, acknowledge and deliver to the County and to its predecessor an instrument accepting such appointment hereunder and agreeing to be bound by the terms hereof, and thereupon the resignation or removal of the predecessor shall become effective and such successor, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor, with like effect as if originally named as Agent herein; but, nevertheless, on Written Request of the County or the request of the successor, the predecessor shall execute and deliver an instrument transferring to such successor all rights, powers and escrow property of the predecessor. Upon request of any such successor, the County shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor all such rights, powers and duties. No successor shall accept appointment as provided herein unless at the time of such acceptance such successor shall be eligible under the provisions of Section 3.08 hereof.

Any corporation into which the Agent may be merged or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which the Agent shall be a party, or any corporation succeeding to the business of the Agent, shall be the successor of the Agent hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding, provided that such successor shall be eligible under the provisions of Section 3.08 hereof.

SECTION 3.12 Payment to Agent. The Agent hereby acknowledges that it has received, as reasonable and proper initial compensation under this Agreement, the sum of \$ _____. The County agrees to pay as additional compensation for the term of this Agreement \$ _____ per year payable on _____ of each year throughout the term hereof. The Agent shall be entitled to reimbursement of all advances, counsel fees and expenses, and other costs made or incurred by the Agent in connection with its services and/or its capacity as Agent or resulting therefrom. In addition, the County agrees to pay to the Agent all out-of-pocket expenses and costs of the Agent incurred by the Agent in the performance of its duties hereunder, including all publication, mailing and other expenses associated with the redemption of the Outstanding Bonds; provided, however, that the County agrees to indemnify the Agent and hold it harmless against any liability which it may incur while acting in good faith in its capacity as Agent under this Agreement, including, but not limited to, any court costs and attorneys' fees, and such indemnification shall be paid from available funds of the County and shall not give rise to any claim against the Escrow Fund.

ARTICLE IV

MISCELLANEOUS

SECTION 4.01. Amendments to this Agreement. This Agreement is made for the benefit of the County, the holders from time to time for the Outstanding Bonds, and it shall not be repealed, revoked, altered or amended without the written consent of all such holders, the Agent and the County; provided, however, that the County and the Agent may, without the consent of, or notice to, such holders, enter into such agreements supplemental to this Agreement as shall not adversely affect the rights of such holders and as shall not be inconsistent with the terms and provisions of this Agreement, for any one or more of the following purposes:

- (a) to cure any ambiguity or formal defect or omission in this Agreement;
- (b) to grant to, or confer upon, the Agent for the benefit of the holders of the Outstanding Bonds, any additional rights, remedies, powers or authority that may lawfully be granted to, or conferred upon, such holders or the Agent; and
- (c) to subject to this Agreement additional funds, securities or properties.

The Agent shall be entitled to rely exclusively upon an unqualified opinion of nationally recognized bond counsel with respect to compliance with this Section, including the extent, if any, to which any change, modification, addition or elimination affects the rights of the holders of the

Outstanding Bonds, or that any instrument executed hereunder complies with the conditions and provisions of this Section.

Notwithstanding the foregoing or any other provision of this Agreement, upon Written Request and upon compliance with the conditions hereinafter stated, the Agent shall have the power to and shall, in simultaneous transactions, sell, transfer, otherwise dispose of or request the redemption of the Federal Obligations held hereunder and to substitute therefor direct obligations of, or obligations the principal of and interest on which are fully guaranteed by the United States of America, subject to the condition that such monies or securities held by the Agent shall be sufficient to pay principal of, premium, if any, and interest on the Outstanding Bonds. The County hereby covenants and agrees that it will not request the Agent to exercise any of the powers described in the preceding sentence in any manner which will cause the Refunding Bonds to be arbitrage bonds within the meaning of Section 148 of the Code in effect on the date of such request and applicable to obligations issued on the issue date of the Refunding Bonds. The Agent shall purchase such substituted securities with the proceeds derived from the maturity, sale, transfer, disposition or redemption of the Federal Obligations held hereunder or from other monies available. The transactions may be effected only if there shall have been submitted to the Agent: (1) an independent verification by a nationally recognized independent certified public accounting firm concerning the adequacy of such substituted securities with respect to principal and the interest thereon and any other monies or securities held for such purpose to pay when due the principal of, premium, if any, and interest on the Outstanding Bonds in the manner required by the proceedings which authorized their issuance; and (2) an opinion from nationally recognized bond counsel to the effect that the disposition and substitution or purchase of such securities will not, under the statutes, rules and regulations then in force and applicable to obligations issued on the date of issuance of the Refunding Bonds, cause the interest on the Refunding Bonds not to be exempt from Federal income taxation. Any surplus monies resulting from the sale, transfer, other disposition or redemption of the Federal Obligations held hereunder and the substitutions therefor of direct obligations of, or obligations the principal of and interest on which is fully guaranteed by, the United States of America, shall be released from the Escrow Fund and shall be transferred to the County.

SECTION 4.02. Severability. If any provision of this Agreement shall be held or deemed to be invalid or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever.

SECTION 4.03. Governing Law. This Agreement shall be governed and construed in accordance with the law of the State of Tennessee.

SECTION 4.04. Notices. Any notice, request, communication or other paper shall be sufficiently given and shall be deemed given when delivered or mailed by Registered or Certified Mail, postage prepaid, or sent by telegram as follows:

To the County:

County Executive
Lawrence County Courthouse
240 W. Gaines Street
Lawrenceburg TN 38464

To the Agent:

The County and the Agent may designate in writing any further or different addresses to which subsequent notices, requests, communications or other papers shall be sent.

SECTION 4.05 Agreement Binding. All the covenants, promises and agreements in this Agreement contained by or on behalf of the parties shall bind and inure to the benefit of their respective successors and assigns, whether so expressed or not.

SECTION 4.06. Termination. This Agreement shall terminate when all transfers and payments required to be made by the Agent under the provisions hereof shall have been made.

SECTION 4.07. Execution by Counterparts. This Agreement may be executed in several counterparts, all or any of which shall be regarded for all purposes as one original and shall constitute and be but one and the same instrument.

IN WITNESS WHEREOF, the County has caused this Agreement to be signed in its name by its County Executive and attested by its County Clerk and the official seal of the County to be impressed hereon, and the Agent has caused this Agreement to be signed in its corporate name by its duly authorized officers, all as of the day and date first above written.
