October 27, 2010

Honorable J. Mack Chandler
Lawrence County Executive
200 West Gaines, Suite 201
Lawrenceburg, Tennessee 38462

Dear Mr. Chandler:

This Office received the County's request on October 19, 2010, for approval to issue interfund tax and revenue anticipation notes ("TRANS") for the Highway/Public Works Fund from the General Debt Service Fund pursuant to Section 6 of the Appropriation Resolution adopted on September 14, 2010, and the authority of *Tennessee Code Annotated* Title 9 Chapter 21 Part 8 and Section 9-21-408.

Table 1

Tax and Revenue Anticipation Note Request -- Analysis by Fund

Fund	Est. Beginning Fund Balance	Estimated Revenues	Available Funds	Expenditures	Appropriations	Est. Ending Fund Balance
Highway/Public Works	\$961,617	\$4,138,160	\$5,099,777	\$4,811,784	\$4,811,784	\$287,993

Tax and Revenue Anticipation Note

This letter acknowledges receipt of a request for approval to issue an amount not-to-exceed \$400,000 Highway/Public Works Fund Interfund TRANS, Series 2010 ("HWY TRANS"). The HWY TRANS will be an interfund loan with the monies being advanced from the General Debt Service Fund to the Highway/Public Works Fund. Counties in Tennessee are authorized to issue TRANS pursuant to Title 9, Chapter 21 of the *Tennessee Code Annotated* to provide monies for operating expenses until sufficient revenues are received. Under the authority of *Tennessee Code Annotated* Section 9-21-408, Counties may execute TRANS between funds in accordance with Part 8 of Title 9, Chapter 21. The amount of TRANS which may be issued must not exceed 60% of the annual appropriation for the fund involved, and sufficient future revenues must be anticipated allowing payment of the TRANS by the end of the fiscal year of issuance, in this case June 30, 2011. Issuing the TRANS reduces the amount that the County may borrow in the future. We have found this request meets the statutory requirements.

Table 2
TRAN Request Analysis

Fund	Anticipated Revenue	Appropriations	Revenues Less Appropriations ¹	60% of Appropriations	TRAN Request	TRAN Request As a % of Revenues	Approved Amount
Highway/Public Works	\$4,138,160	\$4,811,784	\$ (673,624)	\$2,887,070.40	\$400,000	9.7%	\$400,000

¹ The County intends to use fund balance to support the portion of appropriations that exceeds revenues.

This letter constitutes approval by this Office for the issuance of an amount not-to-exceed \$400,000 HWY TRANS, conditioned upon agreement with the following terms by the County Board of Commissioners:

- * • A copy of this letter shall be provided to all the members of the Board of Commissioners, be presented at the next meeting of the Board after receipt, and be spread across the face of the minutes of the meeting.
- The County shall comply with all the requirements of Title 9, Chapter 21 of the *Tennessee Code Annotated* and shall provide this Office verifiable documentation of compliance for 2011 fiscal year.
- The County shall use the Tax Anticipation Note Form found in the *Guide for the Issuance of Notes by the Counties, Consolidated Governments and Municipalities of Tennessee* to document the agreement between the Funds.
- The County shall report the execution of the TRANS and the amount to this Office within 45 days of issuance.
- The County shall maintain a balanced budget with no cash deficits and sufficient to pay operating and debt service costs during 2011 fiscal year.
- The County shall repay the TRANS no later than June 30, 2011 and provide documentation to evidence such payment within 15 days of, but not later than June 30, 2011. The County shall report non-issuance of the Capital Projects to this office not later than June 30, 2011.

Public Debt Entity Report

Enclosed is a form CT-0253 - Report on Debt Obligation. Please complete this form and return it to this Office within 45 days of the date of issuance of the TRANS. *Tennessee Code Annotated* § 9-21-151 requires the reporting of certain information to the Director of the Office of State and Local Finance within 45 days of issuance of debt obligations (including bonds, notes, debentures, and lease purchase agreements without regard to whether interest thereon is excludable from federal income tax). No public entity may enter into additional debt if it has failed to file the Report on Debt Obligation.

Sincerely,

Mary-Margaret Collier

CHUCK KIZER, COUNTY CLERK

THE ECONOMIC DEVELOPMENT CORPORATION OF LAWRENCE COUNTY,
TENNESSEE'S REVISED

ECONOMIC IMPACT PLAN
FOR THE
COMMERCE PARK ECONOMIC DEVELOPMENT DISTRICT

I.

Authority for Economic Impact Plan

Industrial development corporations ("IDBs") are authorized under Tennessee Code Annotated § 7-53-312 to prepare and submit to cities and counties an "Economic Impact Plan" (sometimes referred to herein as the "EIP") with respect to an area that includes an industrial park within the meaning of T.C.A. § 7-53-312 and T.C.A. § 13-16-202, or a project within the meaning of T.C.A. § 7-53-101, and such other properties that the IDB determines will be directly improved or benefited due to the undertaking of such industrial park or project. T.C.A. § 7-53-312 also authorizes cities and counties to apply and pledge new incremental tax revenues, which arise from the area subject to the economic impact plan, to IDBs to promote economic development, to pay the cost of projects or to pay debt service on bonds or other obligations issued by the IDBs to pay the costs of projects. The Economic Development Corporation of Lawrence County, Tennessee (the "County Board") is a qualified and existing IDB that was originally chartered as such in 1999.

II.

Boundaries of Plan Area

The property surrounding Commerce Park is potentially a growing industrial and commercial area that the City of Lawrenceburg (the "City") and Lawrence County (the "County") hope will soon become a destination for corporate relocation and industrial and commercial development. This is the area which is subject to this EIP and to the tax increment financing provisions described below. The EIP includes potential upgrades to Commerce Park, an industrial park, and may include other developments which meet the definition of a "project" pursuant to T.C.A. § 7-53-101. The plan area includes all of the properties that will directly benefit from the industrial park that currently exists within the plan area as well as potential future projects that will be hereafter funded by the IDB in the near future. The area that will be subject to this plan (the "Plan Area") is shown on *Exhibit A* attached hereto, and a list of the tax parcels included in the Plan Area is shown on *Exhibit B* attached hereto. Furthermore, a legal description of the boundaries is included as *Exhibit C*.

Originally, the County Board approved larger boundaries for the District in November. However, the area subject to the County EIP has been reduced in size in response to the County's budgetary and policy concerns. In the event of any conflict between the general description of the Plan Area described in this paragraph and *Exhibits A, B, and C*, said *Exhibit B* shall control. The Plan Area is hereby declared to be subject to this Economic Impact Plan. Commerce Park,

currently meets the definition of an "industrial park" in T.C.A. § 13-16-202, and therefore, the area is appropriate for a TIF district.

III.
Financial Assistance

The County Board may provide financial assistance to any project that is located within the Plan Area, by applying the proceeds of the tax increment financing described herein to pay all or a portion of the costs of qualifying projects as well as debt service on such projects. The Board, may likewise use the funds to pay costs of the Boards in furtherance of economic development.

IV.
Expected Benefits to the City of Lawrenceburg & Lawrence County, Tennessee

The City of Lawrenceburg and Lawrence County stand to benefit in many ways from the creation of this new development district. The commercial and industrial development within the Plan Area is in its early stages. The development of the Plan Area, and the subsequent construction of industrial business and other commercial enterprises that are expected to occur within the Plan Area, will lead to the addition of new structures to the property tax rolls. Sales taxes and other local taxes may also be positively affected by the improvement of this Plan Area. Existing business providers currently within the Plan Area and other general businesses will be able to attract additional business from the Plan Area.

Furthermore, the growth and development of this Plan Area will directly create construction as well as permanent jobs. This economic growth will not be limited to the Plan Area. Instead, the economic growth will extend to the surrounding community. It is estimated that additional jobs will be indirectly created outside the Plan Area as various projects are completed within the Plan Area.

V.
Distribution of Property Taxes and Tax Increment Financing

A. Distribution of Taxes. Property taxes, including personal property taxes, imposed by Lawrence County on the property located within the Plan Area shall be allocated and distributed as provided in this subsection. The taxes assessed by the County on the real and personal property within the Plan Area will be distributed as follows in accordance with Tenn. Code Ann. §7-53-312(c):

i. The portion of the real and personal property taxes that were payable with respect to the Plan Area for the tax year prior to the tax year of the date of approval of this Economic Impact Plan (herein the "Base Tax Amount") shall be allocated to and, as collected, paid to the County as all other taxes levied by the County on all other properties; provided, however, that in any year in which the ad valorem taxes on the property within the Plan Area are less than the

Base Tax Amount, there shall be allocated and paid to the County only the taxes actually imposed.

ii. The excess, if any, of real and personal property taxes over the Base Tax Amount, other than the amount pledged to the County's bonded indebtedness, which is referenced in T.C.A. § 7-53-312 (j) shall be, as collected, paid into a separate fund of the County Board, created to hold such payments until the tax proceeds in the funds are to be applied to pay expenses of the Board in furtherance of promoting economic development or to pay the cost of projects including related land acquisition and infrastructure improvements and upgrades. The Board is also authorized to use the excess to pay the costs of bonds or other obligations associated with projects.

B Time Period. Taxes on the real and personal property within the Project Area will be distributed as provided in this Section of the Economic Impact Plan for a period not to exceed (30) years. Subject to the foregoing, the length of time that incremental taxes will be allocated to the Boards for deposit in these two funds will be determined by resolution adopted by the County.

C. Qualified Use. The County Board and the County by the adoption of this Economic Impact Plan find that the use of Tax Increment Financing Revenues for future projects that meet the statutory definition provided in T.C.A. § 7-53-101 are in furtherance of promoting economic development in the County and that the costs to be financed as described herein are costs of the projects as statutorily defined in T.C.A. § 7-53-101.

VI. Approval Process

Pursuant to T.C.A. § 7-53-312, the process for approval of this Economic Impact plan is as follows:

A. The Board holds a public hearing relating to the proposed Economic Impact Plan after publishing notice of such hearing in a newspaper of general circulation in the County at least two weeks prior to the date of the public hearing. The notice must include the time, place and purpose of the hearing as well as notice of how a map of the subject area may be viewed by the public. The map of the Plan Area is on file with the County Executive at 200 W. Gaines St., Lawrenceburg, and is available for public review.

B. The governing body of the County shall approve the Economic Impact Plan. The Economic Impact Plan may be approved by resolution of the governing body whether or not the local charter provisions of the governing body provides otherwise.

C. Once the Economic Impact Plan has been approved by the governing body of the County, the clerk or other recording official of the County shall transmit the following to the appropriate tax assessors and taxing agency affected: (a) a copy of the description of the property within the Plan Area; and (b) a copy of the resolution approving the Economic Impact Plan.

Subject to the adjustments permitted in Section 7 hereof, the Notes shall be issued in fully registered form, without coupons, shall be known as "General Obligation Capital Outlay Notes, Series 2011", to be dated their date of issuance, or such other dated date and series designation as shall be determined by the County Executive. The Notes shall bear interest at a rate or rates not to exceed 5-1/2 percent (5.5%) per annum, payable, subject to the adjustments permitted pursuant to Section 7 hereof, in six (6) month intervals from the dated date of the Notes, commencing six months from the dated date of the Notes or on such other dates designated by the County Executive pursuant to the provisions of Section 7 hereof. The Notes shall be issued in denominations, as shall be requested by the original purchaser thereof. Subject to the adjustments permitted by Section 7 hereof, the Notes shall mature serially or be subject to mandatory redemption and be payable each year on the anniversary date of the dated date (but in no event shall the Notes mature greater than three years from the dated date of the Notes) in an amount equal to not less than one-ninth (1/9) of the principal amount thereof, unless such requirement is waived by the State Director of Local Finance.

Subject to the adjustments permitted pursuant to Section 7 hereof, the Notes are subject to redemption, in whole or in part, at anytime, at the redemption price of par plus accrued interest to the redemption date. In the event any or all the Notes are sold as Term Notes, the County shall redeem such Term Notes on the redemption dates corresponding to the maturity dates established by the County Executive pursuant to Section 7 hereof. Notes so redeemed shall be redeemed at a price of par plus accrued interest thereon to the date of redemption. The Term Notes to be so redeemed shall be selected by lot or in such other random manner as the Registration Agent in its discretion may determine.

Unless waived by the owners thereof, notice of call for redemption, whether optional or mandatory, shall be given by the Registration Agent not less than ten (10) nor more than thirty (30) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the

Notes to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Note registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for the redemption of any of the Notes for which proper notice was given. From and after any redemption date, all Notes called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and if notice has been duly provided as set forth herein.

The County hereby authorizes and directs the Registration Agent to maintain Note registration records with respect to the Notes, to authenticate and deliver the Notes as provided herein, either at original issuance, upon transfer, or as otherwise directed by the County, to effect transfers of the Notes, to make all payments of principal, premium, if any, and interest with respect to the Notes as provided herein, to cancel and destroy Notes which have been paid at maturity or submitted for exchange or transfer, to furnish the County at least annually a certificate of destruction with respect to Notes canceled and destroyed, and to furnish the County at least annually an audit confirmation of Notes paid, Notes outstanding and payments made with respect to interest on the Notes. The County Executive is hereby authorized to execute and the County Clerk is hereby authorized to attest such written agreement between the County and the Registration Agent as they shall deem necessary or proper with respect to the obligations, duties and rights of the Registration Agent. The payment of all reasonable fees and expenses of the Registration Agent for the discharge of its duties and obligations hereunder or under any such agreement is hereby authorized and directed.

The Notes shall be payable, as to principal, premium, if any, and interest, in lawful money of the United States of America at the office of the Registration Agent. The Registration Agent shall make all interest payments with respect to the Notes on each interest payment date directly to the registered owners as shown on the Note registration records maintained by the Registration Agent as of the close of business on the day which is fifteen days preceding the interest payment date, or the fifteenth day of the preceding month if the interest payment date is on the first day of the month, (the "Regular Record Date") by check or draft mailed to such owners at such owners' addresses shown on said Note registration records, without, except for final payment, the presentation or surrender of such registered Notes, and all such payments shall discharge the obligations of the County in respect of such Notes to the extent of the payments so made. Payment of principal of and premium, if any, on the Notes shall be made upon presentation and surrender of such Notes to the Registration Agent as the same shall become due and payable.

Any interest on any Note which is payable but is not punctually paid or duly provided for on any interest payment date (hereinafter "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such Defaulted Interest shall be paid by the County to the persons in whose names the Notes are registered at the close of business on a date (the "Special Record Date") for the payment of such Defaulted Interest, which shall be fixed in the following manner: the County shall notify the Registration Agent in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the County shall deposit with the Registration Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Registration Agent for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this Section provided. Thereupon, not less than ten (10) days after the receipt by the Registration Agent of the notice of the proposed payment, the Registration Agent shall fix a Special Record Date for the payment of such Defaulted Interest which Date shall be not more than fifteen (15) nor less than ten (10) days prior to the date of the proposed payment to the registered owners. The Registration Agent shall promptly notify the County of such Special Record Date and, in the name and at the expense of the County, not less than ten (10) days prior to such Special Record Date, shall cause notice of the proposed payment of such

Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each registered owner at the address thereof as it appears in the Note registration records maintained by the Registration Agent as of the date of such notice. Nothing contained in this Section or in the Notes shall impair any statutory or other rights in law or in equity of any registered owner arising as a result of the failure of the County to punctually pay or duly provide for the payment of principal of and interest on the Notes when due.

The Notes are transferable only by presentation to the Registration Agent by the registered owner, or his legal representative, duly authorized in writing, of the registered Note(s) to be transferred with the form of assignment on the reverse side thereof completed in full and signed with the name of the registered owner as it appears upon the face of the Note(s) accompanied by appropriate documentation necessary to prove the legal capacity of any legal representative of the registered owner. Upon receipt of the Note(s) in such form and with such documentation, if any, the Registration Agent shall issue a new Note or Notes to the assignee(s) in such authorized denomination(s), as requested by the registered owner requesting transfer. The Registration Agent shall not be required to transfer or exchange any Note during the period commencing on a Regular Record Date or Special Record Date and ending on the corresponding interest payment date of such Note, nor to transfer or exchange any Note after the notice calling such Note for redemption has been made, nor to transfer or exchange any Note during the period following the receipt of instructions from the County to call such Note; provided, the Registration Agent, at its option, may make transfers after any of said dates. No charge shall be made to any registered owner for the privilege of transferring any Notes, provided that any transfer tax relating to such transaction shall be paid by the owner requesting transfer. The person in whose name any Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the County nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Notes shall be overdue. Notes, upon surrender to the Registration Agent, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Notes of the same maturity in authorized denomination or denominations.

The Notes shall be signed by the County Executive and attested by the County Clerk by their manual or facsimile signatures, and shall have imprinted or impressed thereon the corporate seal of the County or a facsimile thereof.

The Registration Agent is hereby authorized to authenticate and deliver the Notes to the original purchaser thereof or as the original purchaser may designate upon receipt by the County of the proceeds of the sale thereof and to authenticate and deliver Notes in exchange for Notes of the same principal amount delivered for transfer upon receipt of the Note(s) to be transferred in proper form with proper documentation as hereinabove described. The Notes shall not be valid for any purpose unless authenticated by the Registration Agent by the manual signature of an authorized representative thereof on the certificate set forth herein on the Note form.

In case any Note shall become mutilated, or be lost, stolen, or destroyed, the County, in its discretion, shall issue, and the Registration Agent, upon written direction from the County, shall authenticate and deliver, a new Note of like tenor, amount, maturity and date, in exchange and substitution for, and upon the cancellation of, the mutilated Note, or in lieu of and substitution for such lost, stolen or destroyed Note, or if any such Note shall have matured or shall be about to mature, instead of issuing a substituted Note the County may pay or authorize payment of such Note without surrender thereof. In every case the applicant shall furnish evidence satisfactory to the County and the Registration Agent of the destruction, theft or loss of such Note, and indemnity satisfactory to the County and the Registration Agent; and the County may charge the applicant for the issue of such new Note an amount sufficient to reimburse the County for the expense incurred by it in the issue thereof.

Section 4. Source of Payment. The Notes shall be payable from unlimited ad valorem taxes to be levied on all taxable property within the County. For the prompt payment of principal of, premium, if any, and interest on the Notes, the full faith and credit of the County are hereby irrevocably pledged.

Section 7. Sale of Notes.

(a) The Notes shall be sold by the County Executive, in whole or in part, from time to time, at a public or negotiated sale or by the informal bid process, at a price of not less than ninety-nine percent (99%) of par, plus accrued interest, as shall be determined by the County Executive, in consultation with Guardian Advisors, LLC, Hohenwald, Tennessee, the County's financial advisor.

(b) The County Executive is authorized (i) to change the dated date of the Notes to a date other than the date of issuance; (ii) to change the series designation of the Notes; (iii) to change the first interest payment date on the Notes to a date other than six months from the dated date of the Notes; (iv) to adjust the principal and interest payment dates and maturity amounts of the Notes, provided that (A) the total principal amount of all emissions of the Notes does not exceed the total amount of Notes authorized herein, and (B) the final maturity date of each emission shall not exceed three (3) years from the dated date of its emission; (v) to change the County's optional redemption provisions of the Notes, provided that, (A) if the Notes are sold at not less than par, the redemption premium, if any, shall not exceed one percent (1%) of the par amount of the Notes called for redemption, and (B) if the Notes are sold at less than par, no redemption premium shall be provided for; (vi) to sell less than the authorized principal amount of Notes authorized herein; (vii) to sell the Notes, or any emission thereof, or any maturities thereof as term notes with mandatory redemption requirements as determined by the County Executive as she shall deem most advantageous to the County; and (viii) to cause all or a portion of the Notes to be insured by a bond insurance policy issued by a nationally recognized bond insurance company to achieve the purposes set forth herein and to serve the best interests of the County.

(c) The County Executive is authorized to sell the Notes, or any emission thereof, simultaneously with any other bonds or notes authorized by resolution or resolutions of the Governing Body. The County Executive is further authorized to sell the Notes, or any emission thereof, as a single issue of notes with any other general obligation capital outlay notes with substantially similar terms authorized by resolution or resolutions of the Governing Body, in one or more emissions or series as he shall deem to be advantageous to the County; provided, however, that the total aggregate principal amount of combined notes to be sold does not exceed the total aggregate principal amount of Notes authorized by this resolution or notes authorized by any other resolution or resolutions adopted by the Governing Body.

(d) The County Executive is authorized to award the Notes, or any emission thereof, to the bidder whose bid results in the lowest true interest cost to the County or to sell the Notes to a purchaser pursuant to negotiated sale, provided the rate or rates on none of the Notes exceeds five and one-half percent (5.5%) per annum. The sale of the Notes by the County Executive shall be binding on the County, and no further action of the Governing Body with respect thereto shall be required. The form of the Note set forth in Section 5 hereof, shall be conformed to reflect any changes made pursuant to this Section 7 hereof.

(e) The County Executive and County Clerk, or either of them, are authorized to cause the Notes to be authenticated and delivered by the Registration Agent to the successful bidder and to execute, publish, and deliver all certificates and documents, including an official statement and closing certificates, as they shall deem necessary in connection with the sale and delivery of the Notes, including, but not limited to, a note purchase agreement, if the Notes are sold at a negotiated sale, with terms consistent with this resolution.

(f) The Notes shall not be issued until after the approval of the State Director of Local Finance shall have been obtained as required by Sections 9-21-101 et seq., Tennessee Code Annotated.

Section 8. Disposition of Note Proceeds.

(a) All accrued interest, if any, shall be deposited to the appropriate fund of the County to be used to pay interest on the Notes on the first interest payment date following delivery of the Notes.

(b) The remainder of the proceeds of the sale of the Notes shall be paid to the County Trustee to be deposited with a financial institution regulated by the Federal Deposit Insurance Corporation or similar or successor federal agency in a special fund known as the Note Construction Fund (the "Construction Fund") to be kept separate and apart from all other funds of the County. The monies in the Construction Fund shall be solely used by the County to pay other costs of the Projects. Moneys in the Construction Fund shall be invested in such investments as shall be permitted by applicable law. Interest earnings shall be applied to pay principal and interest on the Notes, or upon direction of the County Executive, such earnings shall be deposited to the Construction Fund.

Section 9. Official Statement. The County Executive, working with Guardian Advisors, LLC, Hohenwald, Tennessee, the County's financial advisor, is hereby authorized to provide for the preparation and distribution of a Preliminary Official Statement describing the Notes. No Official Statement need be prepared if the Notes are sold to a purchaser that does not intend to reoffer the Notes to the public. After bids have been received and the Notes have been awarded, the County Executive shall make such completions, omissions, insertions and changes in the Preliminary Official Statement not inconsistent with this resolution as are necessary or desirable to complete it as a final Official Statement for purposes of Rule 15c2-12(e)(3) of the Securities and Exchange Commission. The County Executive shall arrange for the delivery to the successful bidder on the Notes of a reasonable number of copies of the Official Statement within seven business days after the Notes have been awarded for delivery, by the successful bidder on the Notes, to each potential investor requesting a copy of the Official Statement and to each person to whom such bidder and members of his bidding group initially sell the Notes.

The County Executive and the County Clerk are authorized, on behalf of the County, to deem the Preliminary Official Statement and the Official Statement in final form, each to be final as of its date within the meaning of Rule 15c2-12(b)(1), except for the omission in the Preliminary Official Statement of certain pricing and other information allowed to be omitted pursuant to such Rule 15c2-12(b)(1). The distribution of the Preliminary Official Statement and the Official Statement in final form shall be conclusive evidence that each has been deemed in final form as of its date by the County except for the omission in the Preliminary Official Statement of such pricing and other information.

Section 10. Tax Covenants. The County recognizes that the purchasers and owners of the Notes will have accepted them on, and paid therefor a price that reflects, the understanding that interest thereon is excluded from gross income for purposes of federal income taxation under laws in force on the date of delivery of the Notes. In this connection, the County covenants that it shall take no action which may render the interest on any of said Notes subject to inclusion in gross income for purposes of federal income taxation. It is the reasonable expectation of the Governing Body of the County that the proceeds of the Notes will not be used in a manner which will cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Code including any lawful regulations promulgated or proposed thereunder, and to this end the said proceeds of the Notes and other related funds established for the purposes herein set out, shall be used and spent expeditiously for the purposes described herein. The Governing Body further covenants and represents that in the event it shall be required by Section 148(f) of the Code to pay any investment proceeds of the Notes to the United States government, it will make such payments as and when required by said Section 148(f) and will take such other actions as shall be necessary or permitted to prevent the interest on the Notes from becoming taxable. The County Executive and County Clerk, or either of them, are authorized and directed to make such certifications in this regard in connection with the sale of the Notes as either or both shall deem appropriate, and such certifications shall constitute a representation and certification of the County.

Section 11. Discharge and Satisfaction of Notes. If the County shall pay and discharge the indebtedness evidenced by any of the Notes in any one or more of the following ways:

(a) By paying or causing to be paid, by deposit of sufficient funds as and when required with the Registration Agent, the principal of and interest on such Notes as and when the same become due and payable;

(b) By depositing or causing to be deposited with any trust company or bank whose deposits are insured by the Federal Deposit Insurance Corporation and which has trust powers ("a Trustee"; which Trustee may be the Registration Agent), in trust, on or before the date of maturity, sufficient money or Federal Obligations, the principal of and interest on which, when due and payable, will provide sufficient moneys to pay such Notes and to pay interest thereon when due until the maturity date;

(c) By delivering such Notes to the Registration Agent, for cancellation by it; and if the County shall also pay or cause to be paid all other sums payable hereunder by the County with respect to such Notes, or make adequate provision therefor, and by resolution of the Governing Body instruct any such Trustee to pay amounts when and as required to the Registration Agent for the payment of principal of and interest on such Notes when due, then and in that case the indebtedness evidenced by such Notes shall be discharged and satisfied and all covenants, agreements and obligations of the County to the owners of such Notes shall be fully discharged and satisfied and shall thereupon cease, terminate and become void.

If the County shall pay and discharge the indebtedness evidenced by any of the Notes in the manner provided in either clause (a) or clause (b) above, then the registered owners thereof shall thereafter be entitled only to payment out of the money or Federal Obligations deposited as aforesaid.

Except as otherwise provided in this Section, neither Federal Obligations nor moneys deposited with the Registration Agent pursuant to this Section nor principal or interest payments on any such Federal Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and premium, if any, and interest on said Notes; provided that any cash received from such principal or interest payments on such Federal Obligations deposited with the Registration Agent, (A) to the extent such cash will not be required at any time for such purpose, shall be paid over to the County as received by the Registration Agent and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Federal Obligations maturing at times and in amounts sufficient to pay when due the principal and interest to become due on said Notes and interest earned from such reinvestments shall be paid over to the County, as received by the Registration Agent. For the purposes of this Section, Federal Obligations shall mean direct obligations of, or obligations, the principal of and interest on which are guaranteed by, the United States of America, or any agency thereof, obligations of any agency or instrumentality of the United States or any other obligations at the time of the purchase thereof are permitted investments under Tennessee Law for the purposes described in this Section, which bonds or other obligations shall not be subject to redemption prior to their maturity other than at the option of the registered owner thereof.

Section 12. Qualified Tax-Exempt Obligations. The Governing Body hereby designates the Notes as "qualified tax-exempt obligations", to the extent the Notes may be designated, within the meaning of and pursuant to Section 265 of the Internal Revenue Code of 1986, as amended.

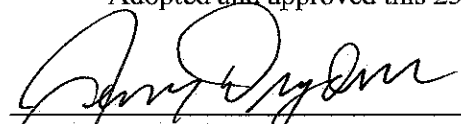

Section 13. Reasonably Expected Economic Life. The "reasonably expected economic life" of the Projects within the meaning of Section 9-21-101 et seq., Tennessee Code Annotated, is greater than twelve (12) years.

Section 14. Resolution a Contract. The provisions of this resolution shall constitute a contract between the County and the registered owners of the Notes, and after the issuance of the Notes, no change, variation or alteration of any kind in the provisions of this resolution shall be made in any manner until such time as the Notes and interest due thereon shall have been paid in full.

Section 15. Separability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

Section 16. Repeal of Conflicting Resolutions and Effective Date. All other resolutions and orders, or parts thereof, in conflict with the provisions of this resolution, are, to the extent of such conflict, hereby repealed and this resolution shall be in immediate effect from and after its adoption.
